

# EXPRESS PICKUP SERVICE

In this time of unprecedented need for safety precautions due to the Coronavirus (Covid-19), Tague Lumber would like to introduce our **Express Pickup Service**. This service will help to protect our employees at Tague Lumber, and you, our most valued customers. **THE SYSTEM WILL WORK AS FOLLOWS:**

1. You can CALL, TEXT, OR EMAIL the materials and/or hardware that you need for that particular visit. You should contact your regular Salesperson or the general phone number of the location you want to pick up at.
2. Let us know what time frame you are looking for concerning that particular order pick up.
3. Payment will take be taken prior to your arranged pickup time by the salesperson handling the order.
4. You would then drive into the appropriate yard, give them the sales order name and number given to you by the salesperson.
5. You will be directed to an area while your order is located and brought to you for loading in your vehicle.

Thank you in advance for using our Express Pickup Service and as always, we greatly appreciate your continued business. Information for each location is below:
