

MoistureShield™
COMPOSITE DECKING

THE NEXT GENERATION

moistureshield.com

THE BEST GETS EVEN BETTER

MoistureShield® decks have always provided a unique combination of rich beauty and proven performance.

Our premium composite decks are available in a variety of natural wood tones and finishes – and with our new options in Deck Lights, Hidden Fasteners and Aluminum Railings it's easy to find the right MoistureShield product for every outdoor living project.

Our beauty is more than skin deep though. Our advanced total encapsulation process defends our boards against moisture all the way to the core making them so durable they can be installed on the ground, in the ground and even underwater while still being protected by the industry's leading lifetime warranty.

If we can perform in those harsh environments just imagine what you can create in your own backyard.

NOW YOU CAN HAVE IT ALL.

THE MOISTURESHIELD® DECKING FAMILY

Why struggle when choosing your decking material? Our family of durable outdoor living products offers you the right options to fit your style and budget. Choose our **Essential Collection®**, the best value for your light residential construction, our **Vantage Collection®**, an even more durable reversible board that is easy to install, or our **MoistureShield Pro** for an added layer of protection.

Once you've found your board, complete your deck design with our new collection of **MoistureShield Deck Clips**, **Deck Lights** and **Aluminum Railing**. Built to be tough yet beautiful, our products inspire care-free living while making a statement.

Featured benefits include:

- **Total Encapsulation** – our unique manufacturing process protects to the core
- **Durable Decking** – stands up on the ground, in the ground or underwater
- **Environmentally Friendly** – no harmful chemicals and 95% recycled content
- **Easy Installation** – does not require staining, painting or sealing
- **Tailored to Your Needs** – available with or without grooves to accommodate hidden fasteners
- **Natural Beauty** – natural wood grain texture to match the variety of natural wood tones
- **Innovative Protection** – stain, fade, scratch, mold and mildew resistant

MOISTURESHIELD® VANTAGE

MoistureShield Vantage is one of the most innovative composite decking materials on the market. Enjoy the look and workability of wood, but with more water resistance, more durability and less maintenance. Available in a solid profile, our reversible boards feature a natural wood-grain texture on both sides, allowing use of either side for easier installation. In addition, the planks come with or without grooves to accommodate hidden fastening systems.

- 1" x 6" Deck Board
- Length: 12 feet, 16 feet, 20 feet
- Transferable Lifetime Warranty
- Install on the ground, in the ground or underwater
- Available grooved and non-grooved
- Natural wood-grain texture on both sides
- Available in 8 colors

MOISTURESHIELD® PRO

WE DIDN'T HAVE TO, BUT WE DID.

MoistureShield has always been protected to the core. Now our new MoistureShield Pro line adds an extra layer of protection and beauty. Essentially it's our already durable Vantage board with a smooth, protective covering. A new era of carefree outdoor living is here.

- 1" x 6" Deck Board
- Length: 12 feet, 16 feet, 20 feet
- Transferable Lifetime Warranty
- 25-year Fade and Stain Warranty
- Enhanced Slip & Scratch Resistance
- Install on the ground, in the ground or underwater
- Available grooved and non-grooved
- Available in 3 distinct rich colors

LIFETIME WARRANTY

Straightforward, industry leading warranty against rot, decay and termite damage.

INNOVATION

Stain, fade, scratch, mold and mildew resistant.

MOISTURESHIELD® ESSENTIALS

Looking for better performance and value across the board? MoistureShield Essentials' narrow profile offers the innovative durability of MoistureShield at a more affordable price. It's perfect for lightweight residential construction. Essentials decking features a deep-embossed wood grain texture on both sides allowing the board to be reversible and easy to install.

- 1" x 5" Deck Board
- Length: 12 feet, 16 feet, 20 feet
- 20-year Warranty
- Installs on the ground, in the ground or underwater
- Available grooved or non-grooved
- Natural wood grain texture on both sides
- Available in 5 colors
