

Tague Lumber – Building on Service Since 1908

With over 109 years of business experience, Tague Lumber continues to meet the challenges of the changing marketplace by offering unsurpassed customer service, fair pricing, quality products, and fast delivery by their signature fleet of shiny red trucks.

New construction and home remodeling projects depend on top-quality lumber, plywood, trimboards, and insulation materials. Tague Lumber carries an extensive inventory of the highest quality woods and the synthetic products that work so well in many building applications.
