

## Tague Lumber is the “Go-To” Source for Stock and Custom Moulding & Millwork in the Philadelphia Area!

Tague Lumber carries an enormous supply of stock wood mouldings as well as architectural and decorative mouldings. In addition, our custom capabilities allow us to run any moulding in any species, as well as to match or reproduce mouldings, as is often required in historical renovation projects.

Tague Lumber represents fine millwork manufacturers, including companies that make doors, windows, stairs, mantels, wainscoting, and synthetic millwork. Further, our Custom Millwork Division can fabricate almost anything, from cabinetry to casings, in your choice of woods and finishes. Simply put, if Tague can't buy what you want, we'll make it for you.

### 1 Millwork Take Offs

Take offs are done at no charge on a timely basis to assist you in budgeting and planning your project.

### 2 Trim Packs

For your convenience, Tague offers cut to length, interior trim packs.

### 3 In-Stock Mouldings

Tague Lumber carries a **HUGE SELECTION** of In-Stock Mouldings available in:

- Primed Pine
- Poplar
- PVC

The 220-page **Tague Lumber Moulding Guide** is a helpful resource for your moulding projects. In addition to the profiles in our guide, we have over 1,000 MORE profiles on our website. Our profiles are available for download in DWG and DXF formats.

### 4 Pre-Hung Doors

Tague Lumber offers a wide variety of pre-hung interior door shapes, sizes and styles to fit every budget. With a lead time of just **3 days on ANY size order**, Tague Lumber is the areas best choice for Pre-Hung Doors!

### 5 Custom Millwork

Tague's Custom Millwork capabilities include:

- **Custom Doors and Entryways**
- **Mouldings** - *We Specialize in Reproductions*
- **Solid Wood, Authentic Bucks Co. Cabinetry**
- **Arched Entryways and Mouldings**
- **Mantels and Wainscoting**
- **CNC Machining and Milling** – *Affordable Wainscoting in MDF/PVC*
- **PVC Bending and Shaping**

We can match any moulding profile to exacting standards of historical accuracy. We have an archive of over 2000 knives; if none of these knives work, we'll have a knife specially ground to replicate the profile you need. We craft custom moulding and millwork from any wood species in addition to MDF and PVC (Kleer).

### 6 Delivery Services

Tague offers comprehensive delivery from our large fleet of boom truck, box trucks, flat beds and moffett lifts. Our responsive, on-time delivery service truly means you get ***“what you want, where you want it.”***
