

Tague Design Showroom – The Source for Selections & Solutions

The Tague Design Showroom offers homeowners, architects and designers the superior levels of selection and service we've provided to our contractor and builder clientele for over a century. The Design Showroom features beautiful displays of windows, doors, kitchen cabinetry, mouldings, hardware, and more... all created to make selecting these essential features of a home easy and pleasurable.

The Showroom is staffed with some of our most experienced sales consultants, people knowledgeable about our products and about current home design and construction. We also have employed talented kitchen designers to help you create the kitchen of your dreams.

The Showroom Offers:

- Kitchen Cabinetry
- Bath Cabinetry
- Window & Door Displays
- Moulding & Millwork
- Architectural Hardware
- Custom Built-In Cabinetry
- Mantles & Column Displays
- Decking & Siding
- Organizational Units
- *And much more...*

Services Include:

- Free Initial Consultation & Expert Kitchen Design
- Prompt and Dependable Delivery
- In-Home Measurement for Windows, Doors, Counters and Cabinetry
- Deck Design Consultation
- Custom Millwork Consultation
- Installation
